

Monday, February 23						
Time	Session					
1:00-5 PM	DCSA Briefing					
1:30-5 PM	ASCE Executive Committee Short Course					
Tuesday, February 24						
Time	Session					
7:50-8:20 AM	Welcome Remarks: Chancellor Hegar, The Texas A&M University System; DCSA Leadership presentation to TAMUS RSO with Donnelly Award					
8:20 AM	DCSA remarks					
9:00 AM	SECURE Program Overview Rebecca Keiser					
10:00 AM	Networking Break					
10:30 AM	SECURE Center Overview Beth Kolko					
	SECURE Analytics Overview Kevin Gamache and Glenn Tiffert					
11:30 AM	Lunch Presentation: Ed You					
12:30 PM	Lunch Presentation: Ed You					
1:30- 5:30 pm Tuesday & Wednesday 24-50 NSF SECURE Program Executive Track (25 Seats) *** INVITE ONLY *** Convened by Dr. Robert Nobles (NSF SECURE Center) and Dr. Kevin Gamache (NSF SECURE Analytics)						
	Track 1	Track 2	Track 3	Track 4	Track 5	Track 6
1:30 PM	24-5 Beyond IT: Building Institutional Pathways to Secure the Future of Research Through CMMC Compliance L. Elkin, J. Kisse, T. Saul	24-6 Empowering Researchers, Protecting Partnerships: A New Paradigm for International Research Security D. Biggs	24-7 Bridging the Gap: Why Innovation Security Must Emerge as a Complement to Research Security R. Banerjee	24-8 A collaborative national (UK) approach to education, training, and workforce development in research security C. Buckland	24-9 Persistent Identifiers (PIDs) and Research Security: A Primer L. Schultz	24-10 NSF SECURE Program Session: Enhancing Security Awareness and Risk Mitigation through the SECURE Center's Shared Virtual Environment L. Nichols
2:20 PM	Networking Break					
2:30 PM	24-5 Beyond IT: Building Institutional Pathways to Secure the Future of Research Through CMMC Compliance L. Elkin, J. Kisse, T. Saul	TBD	24-12 The Future of Research Security under President Trump's Second Term and Lessons Learned from Implementing Export Compliance Programs at Universities M. Coutier	24-13 ASC(m)E Anything - Connections & Conversations: Research Security Mentoring ASCE Executive Committee, A. Weber (Capped Attendance)	24-14 International Travel Risk Assessment L. Provencher	24-15 NSF SECURE Program Session: Meeting the Research Security Needs of the Broader Research Community: SECURE Center Engagement of Researchers, Businesses, and Nonprofit and Emerging Research Institutions L. Nichols
3:20 PM	Networking Break					
3:30 PM	24-18 Navigating Federal Sponsor Risk Assessments: University Strategies for Research Security S. Wygant	24-19 The Role of Research Integrity in Research Security A. Humphrey	24-20 Defining Collaboration: A Participatory Roundtable on Research Security Risk Reviews J. Hoffman	24-21 RISC: A University Partnership Model for Building Capacity, Expertise and Infrastructure in Research Integrity, Security and Compliance M. Miller	24-22 Anatomy of an Investigation C. Jenkins, R. Jones, L. Dean	24-23 NSF SECURE Program Session: Demonstration, Review, and Feedback on the SECURE Center's Shared Virtual Environment and Research Security Resources L. Nichols
4:20 PM	Networking Break					

4:30 PM	24-24 Implementing principles from FCPA, export controls, and other compliance areas to mitigate risk in foreign collaborations H. Little -	24-25 Strengthening Research Security in Korea H. Gwon	24-26 Navigating Research in the Grey Zone: Collaboration with Strategic Adversaries and Friends with Sharp Elbows C. White	24-27 Unmasking HPC Abuse: AI Graph Inference from Scheduling Metadata P. Cao	24-16 Tracking China-Europe academic engagements: assessing scope, transparency, and risks M. Šimalčík	24-28 NSF SECURE Program Session: SECURE Center Design CSA: Research Intelligence Center and Risk Dashboard N. Pricope
5:20 PM						
5:30 PM	Welcome Reception & Vendor Fair, Texas A&M Hotel & Conference Center					
6:00 PM	A&M Hotel – 7 pm Bus Arrives 7:10 pm Bus Departs Home2 Suites - 7:20 pm Drop Off Hyatt Place - 7:30 pm Drop Off					
	NSF SECURE Program Executive Track Dinner 6-8 pm					
Wednesday, February 25						
Time	Session					
7:50 AM	Joe Elabd, Vice Chancellor for Research, The Texas A&M University System					
8:00 AM	Chris Raia, Deputy Director, FBI					
9-10:30 AM	Federal Agency Updates and Hot Topics (Part 1: H. Bante; Part 2: J. Albertson & L. Nichols)					
10:30-11:15 AM	Networking Break					
11:15 AM	Anna Puglisi, White House Office of Science and Technology Policy					
12:15 PM	Lunch Panel: Attorney Panel: Research Security Updates and Hot Topics (Akin and Hogan law firms, A. Weber)					
	1:30- 5:30 pm Tuesday & Wednesday 24-50 NSF SECURE Program Executive Track (25 Seats) *** INVITE ONLY *** Convened by Dr. Robert Nobles (NSF SECURE Center) and Dr. Kevin Gamache (NSF SECURE Analytics)					
	Track 1	Track 2	Track 3	Track 4	Track 5	Track 6
1:30 PM	TBD	25-6 Japan's Approach to University Research Security S. Muraki	25-7 Securing the Future Requires Careful Reflection of Past Research Security Efforts D. Caputo	25-8 Conversational Competencies Necessary to Navigating Complex Conversations: Discussing research collaborations while performing risk assessments and risk mitigation plans with your researchers J. Ford	TBD	25-9 NSF SECURE Program Session: Glitches in the System: A collaborative workshop to understand the barriers and influences and human interactions that shape research security programs L. Stadler
2:20 PM		13:20:00				
2:30 PM	25-10 Partnering for NSPM - 33 Success J. Talerico	25-11 Research Security Perspectives from 5Eyes Universities and Government P. Jarrett	25-12 Research Security Risks of Chinese AI Companies and Institutes K. Conklin	25-13 From Policy to Impact: Insights from the Austrian BMFWF's Single Point of Contact and Network of Contact Points A. Korhummel	25-26 Research Security Framework: Policy and Systems Supporting a Forward-Leaning Security Culture S. Willoughby	25-9 NSF SECURE Program Session: Glitches in the System: A collaborative workshop to understand the barriers and influences and human interactions that shape research security programs L. Stadler
3:20 PM	Networking Break					
3:30 PM	25-14 Rise of the Machines: Careful Deployment of AI Agents to Enable Export Control Classification and Research Security Risk Analysis G. Smith (Huron Consulting)	25-15 From Compliance to Collaboration: Lessons in Cross-Functional Research Support O. Amusa (UNT Health)	25-16 Safeguarding Open Scientific Collaboration by Countering Foreign Adversary Exploitation of International Research Partnerships C. Johnston (Strider)	25-17 Practical Pathways to Institutional Knowledge Security J. Linder	25-18 Before the Red Flag: Building Relationships as a Security Strategy H. Stofa	25-19 NSF SECURE Program Session: Expanding Research Security Knowledge, Outreach and Engagement: NSF SECURE Analytics Publications F. Hisgen, J. Whisenant, L. Schultz, K. Gamache
4:20 PM	Networking Break					

4:30 PM	25-20 Models of Governance: Comparative Insights Across Systems C. Schmidt	25-21 Civil-Military Boundaries and Knowledge Protection in Transatlantic Collaboration C. Strowa (DAAD)	25-22 Collaborating on Research Security Through Communities of Practice: An International Perspective A. Singh (Univ. of British Columbia)	25-23 Hiring and Developing Security “Enablers” in Research Security Programs E. Pitek (MITRE)	25-24 Global Collaboration and Strategic Partnerships C. Ljungwall (Chalmers Univ. of Technology)	TBD
5:20 PM	Adjourn					
6:00 PM	ASCE Reception, Clayton W. Williams, Jr. Alumni Center					
8:00 PM	Reception adjourns					
Thursday, February 26						
Time	Session					
7:50 AM	Opening Remarks: Dean Sherman					
8:10 AM	ASCE 10th Anniversary Recap: Dr. Kevin Gamache					
8:45 AM	Sec. Condaleeza Rice, Tad and Dianne Taube Director and Senior Fellow, Hoover Institution (pre-recorded/virtual)					
9:00 AM	U.S. Embassy in Beijing Update					
10:00 AM	Networking Break					
10:30 AM	Maria Cristina Russo DDG - European Union					
11:30 AM	David Biggs					
12:30 PM	Lunch Presentation: Fireside Chat with Dr. Kevin Gamache, Texas State Senator Bryan Hughes, and Texas State Representative Terry Wilson					
Vendors breakdown and out of foyer by 5 pm						
	Track 1	Track 2	Track 3	Track 4	Track 5	Track 6
1:30 PM	26-5 An integral approach to research security: the role of research institutions, research funders and government in ensuring research security in Flanders S. Claes; V. Euchaudt; K. Janssen (U. of Antwerp; Ghent University; KU Leuven)	TBD	26-7 Cutting Through the Noise: A Socio-Technical Framework to Evaluate Risk Management Technology S. Jaros (ARLIS)	26-8 SIPRNet, No Secrets Attached K. Patton; S.King (SecureStrux)	26-19 Assessing and Mitigating Undue Influence in Academic Exchanges: A Case-Based Workshop for Research Security Practitioners A. Lee	26-? Foreign Influence in Academic Research: Impacts to the Department of Defense, the Defense Research Base, and National Security (TBD)
2:20 PM	Networking Break					
2:30 PM	26-9 Where’s Its Home: Best practices for integrating security into academic research environments J. Baumann	26-10 Experiences and approaches towards research security from the United Kingdom B. Sharman (UK Research and Innovation); S. Griffiths	26-11 Developing a Research Security Risk Matrix L. Provencher This is still occurring, BUT it is INVITE ONLY!	26-12 Systemised due diligence, risk assessment and mitigation to counter threat vectors to research security P. Riley	TBD	TBD
3:20 PM	Networking Break					
3:30 PM	26-13 Beyond the Checklist: Best Practices in Due Diligence D. Flanagan	26-14 No Risk, No Research: Navigating Research Security Risk in Global Collaborations K. Krauss	26-15 Research to Resilience: Operationalizing Security for a North American Common Operating Picture B. Bettis	26-16 Interactive Workshop to Advance Research Security Research W. Higgins	TBD	26-18 Managing the threat-A College Perspective J. Walker
4:20 PM	CONFERENCE ADJOURNED
